

YEARLY STATUS REPORT - 2023-2024

Part A	
Data of the Institution	
1. Name of the Institution	The Madura College
• Name of the Head of the institution	Dr. J. Suresh
• Designation	Principal
• Does the institution function from its own campus?	Yes
• Phone No. of the Principal	04522673354
• Alternate phone No.	9363233228
• Mobile No. (Principal)	9442039011
• Registered e-mail ID (Principal)	principal@maduracollege.edu.in
• Address	Vidya Nagar, T.P.K. Road
• City/Town	Madurai
• State/UT	Tamilnadu
• Pin Code	625011
2. Institutional status	
• Autonomous Status (Provide the date of conferment of Autonomy)	01/06/1978
• Type of Institution	Co-education

• Location	Urban																														
• Financial Status	UGC 2f and 12 (B)																														
• Name of the IQAC Co-ordinator/Director	Dr, P.S.Harikrishnan																														
• Phone No.	04522673354																														
• Mobile No:	9245229481																														
• IQAC e-mail ID	iqac@maduracollege.edu.in																														
3.Website address (Web link of the AQAR (Previous Academic Year)	https://www.maduracollege.edu.in/																														
4.Was the Academic Calendar prepared for that year?	Yes																														
• if yes, whether it is uploaded in the Institutional website Web link:	https://www.maduracollege.edu.in/2023-24-calender.pdf																														
5.Accreditation Details																															
<table border="1"> <thead> <tr> <th>Cycle</th> <th>Grade</th> <th>CGPA</th> <th>Year of Accreditation</th> <th>Validity from</th> <th>Validity to</th> </tr> </thead> <tbody> <tr> <td>Cycle 1</td> <td>B++</td> <td>3.32</td> <td>2010</td> <td>21/03/2003</td> <td>20/03/2008</td> </tr> <tr> <td>Cycle 2</td> <td>A</td> <td>3.15</td> <td>2017</td> <td>28/03/2010</td> <td>27/03/2015</td> </tr> <tr> <td>Cycle 3</td> <td>A</td> <td>3.19</td> <td>2024</td> <td>30/10/2017</td> <td>29/10/2022</td> </tr> <tr> <td>Cycle 4</td> <td>A</td> <td>3.19</td> <td>2024</td> <td>14/03/2024</td> <td>13/03/2029</td> </tr> </tbody> </table>		Cycle	Grade	CGPA	Year of Accreditation	Validity from	Validity to	Cycle 1	B++	3.32	2010	21/03/2003	20/03/2008	Cycle 2	A	3.15	2017	28/03/2010	27/03/2015	Cycle 3	A	3.19	2024	30/10/2017	29/10/2022	Cycle 4	A	3.19	2024	14/03/2024	13/03/2029

Institution	RUSA	UGC	01/06/2018	0																											
8.Provide details regarding the composition of the IQAC:																															
• Upload the latest notification regarding the composition of the IQAC by the HEI	View File																														
9.No. of IQAC meetings held during the year	12																														

<ul style="list-style-type: none"> Were the minutes of IQAC meeting(s) and compliance to the decisions taken uploaded on the institutional website? 	Yes
10. Did IQAC receive funding from any funding agency to support its activities during the year?	No
11. Significant contributions made by IQAC during the current year (maximum five bullets)	
Implemented inter-disciplinary and multi-disciplinary courses across all programmes.	
Enhancement of solar power capacity from 25kw to 75kw.	
Participation in NIRF and placed in the band 100-150.	
Computerized the outcome attainment calculation	
Participated in NAAC accreditation for the fourth cycle and got graded 'A'	
12. Plan of action chalked out by IQAC at the beginning of the academic year towards quality enhancement and the outcome achieved by the end of the academic year:	
Plan of Action	Achievements/Outcomes
To enhance the Solar power capacity from 25kW to 75 kW.	Enhanced solar power capacity to 75kw
To construct a multipurpose auditorium with Lecture capturing features like PTZ camera, Video mixing / Audio mixing equipment, etc.	Multipurpose hall constructed and is in use
To computerize the Outcome Attainment calculation based on Manual for Outcome Attainment passed in the Academic Council held on 20-07-2022.	Outcome attainment calculation was automated
To submit SSR for fourth cycle re-accreditation.	The institution was accredited in the fourth cycle with A grade
To submit SSR for fourth cycle re-accreditation.	The institution was accredited in the fourth cycle with A grade
13. Was the AQAR placed before the statutory body?	Yes
<ul style="list-style-type: none"> Name of the statutory body 	
Name of the statutory body	Date of meeting(s)
Governing Body	26/12/2024
14. Was the institutional data submitted to AISHE ?	Yes

Year	Date of Submission
2022-23	01/03/2024

15. Multidisciplinary / interdisciplinary

The Madura College, as a premier educational institution, has always adapted to changes and has been a forerunner with regards to innovation based on changing needs in the field of education. In the era of industrial revolution 4.0, synergy among various disciplines will lead to innovation and the crossdisciplinary understanding of the problems of society. It is with this motive, that the college has made it mandatory for students of all undergraduate and postgraduate programmes to take up at least one Interdisciplinary/ multidisciplinary course during their period of study. An interdisciplinary culture will lead to interdisciplinary projects and interdisciplinary research, which in turn would lead to multidisciplinary solutions to the problems of the society, which is the ultimate goal of the initiative. The following list shows the departments offering various Multidisciplinary and Interdisciplinary courses. 1. Forestry and Economic Botany 2. Polymer, Nano and fundamental mathematics 3. Insurance, Actuarial statistics and Economy 4. Internet of things 5. Dimensions of Economics 6. Green studies 7. Stochastic process and point group of molecules 8. Forensic science 9. Material science 10. Econometrics and cost analysis 11. Nattupuraviyal 12. Computer aided Drug design 13. Molecular Biology 14. Solid state chemistry 15. Behavioural application and Technology 16. ECommerce applications and Management 17. Health Economics 18. Cultural studied in feminism 19. Bio applications in artificial Inteligence 20. Operation research and Web technology 21. Bio[1]economics 22. Nanoscience and nanotechnology 23. Oppilakkiyam 24. Biodiversity and conservation Biology 25. Astrobiology.

16. Academic bank of credits (ABC):

Student centric learning is at the heart of every higher educational institution striving to transform the society by marking their footprint in every aspect of the society. Each student is unique and has diverse needs from the educational institution. It is with this motive that the National Education Policy 2020 envisions multiple entry and multiple exit for students in higher educational institutions. The core curriculum offered by the educational institutions is enriched when augmented by courses catering to specific needs of the individual student. Swayam and MOOC courses offer flexibility to students to design their programme of study. The college has permitted students to transfer credits earned from Swayam against elective courses offered by the college. The college proposes to take up Academic Bank of Credits in a phased manner subject to directions from the Government of Tamilnadu.

17. Skill development:

The Madura College understands the impact that industry 4.0 will have on society. knowledge workers and skilled workers are the two categories of human resource that will drive economic value. It is with this motive that skill development in students has been given utmost care by the college. Each student takes up at least four skill

based elective courses during their period of study. A course on soft skills is made mandatory and is offered under Part - II English language study during the fourth semester in all undergraduate programmes. Certificate course on life skills is offered to all undergraduate programmes during their final year of study. Extension activities under Part - V has been made mandatory to all undergraduate programmes to develop the social skills and community awareness of the students. The Government of Tamilnadu under its 'Naan Mudhalvan' scheme proposes to offer at least three courses on communication skills, information literacy skills and training on job-oriented skills. The college also plans to introduce vocational training into the curriculum in future.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

Students of all undergraduate programmes take up a language of study of their choice. The languages offered are Tamil, Sanskrit and Hindi. During language study, in addition to learning the language, the students learn the rich culture and heritage of our country along with the traditional knowledge system it encompasses. The college organizes several programs on the traditional Indian system for the benefit of students. Field visits are organized to archaeological sites around Madurai, one of the oldest cities in India with a continuous history of more than 3000 years, to introduce the students to the rich heritage of the place they belong to. Curriculum also includes courses on Indian Knowledge System like Archaeology, wherever necessary.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

Learning Outcome Based Curricular Framework (LOCF) was identified as a quality mandate by the UGC. The college decided to adopt the Outcome Based Education for all UG programmes from 2020 and PG programmes from 2021. The curriculum for the said programmes were passed in the respective Board of studies and passed in the Academic Council and has been adopted. The Graduate Attributes defined by the University Grants Commission was taken as the national standard and adopted. The college framed the programme outcomes based on the graduate attributes and based on the vision and mission of the college. The Programme Specific Outcomes were defined by the departments, based on the graduate attributes defined by UGC and based on the programme outcomes defined by the institution. The course designer, while designing the curriculum, defined the course outcomes and the level of attainment of the course outcomes in K-levels defined by the Revised Bloom's Taxonomy. The course designer, also maps the course outcomes against the programme outcomes and programme specific outcomes, to see if the course outcomes are in line with the desired programme outcomes. The evaluation of the student is done for each course outcome and level of attainment (K-level) in Revised Bloom's Taxonomy. The programme attainment is calculated using the course attainment. The teaching learning process, now effectively captures the desired outcomes and the instruction is designed accordingly, as reflected in the course plan and pedagogy. Evidence for success could be gauged atleast 3 years after the student has graduated as envisioned in the Programme Educational Objectives.

20.Distance education/online education:

The Madura College understands that the future of learning lies in creating a rich repository of educational resources and to make it

available online. The college intends to create its own YouTube channel with classroom lectures / recorded videos on educational content for the general public. The college is also open to offering courses in a blended mode, where students listen to lectures from MOOC courses and student centric activities like tutorials, problem solving sessions and doubt clearing sessions could be offered by the teachers in person. Several workshops have been organized for the benefit of teachers on themes related to online educational resource creation.

3.3 Number of sanctioned posts for the year:	204
4. Institution	
4.1 Number of seats earmarked for reserved categories as per GOI/State Government during the year:	998
4.2 Total number of Classrooms and Seminar halls	112
4.3 Total number of computers on campus for academic purposes	329
4.4 Total expenditure, excluding salary, during the year (INR in Lakhs):	103.12546

Part B

CURRICULAR ASPECTS

1.1 - Curriculum Design and Development

1.1.1 - Curricula developed and implemented have relevance to the local, national, regional and global developmental needs which are reflected in Programme Outcomes (POs), Programme Specific Outcomes (PSOs) and Course Outcomes (COs) of the various Programmes offered by the Institution.

The curriculum is developed in accordance with the regulations of University Grants Commission and the Tamilnadu State Council for Higher Education (TANSCHÉ) with a focus on the 21st century skills required for a student graduating from the institution. TANSCHÉ was implemented for all undergraduate and Post graduates programs from the academic year 2023-24.

Along with foundational literacies, Outcome based curriculum framework also focuses on developing the competencies of students in areas like critical thinking, collaboration, communication and creativity.

Part - I: First language (Tamil / Hindi / Sanskrit)

Part - II: English

Part - III: Major / Allied / Electives

Part - IV:

Mandatory Courses / Non-Major Electives Mandatory courses covering aspects like environmental and gender studies, value education, professional ethics, inter-departmental papers and electives focussing on developing the skills of the student.

Part - V: Community Service

The aim of education is to create an all round personality, In this regard, students should mandatorily take part in community service by enrolling themselves in NSS / NCC / YRC / Physical education and undertaking the activities of the same. They also serve as platforms for developing leadership skills and other soft skills.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates cross-cutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability, and Human Values into the curriculum

The curriculum is developed in accordance with the regulations of University Grants Commission and the Tamilnadu State Council for Higher Education (TANSCHÉ) with a focus on the 21st century skills required for a student graduating from the institution. TANSCHÉ was implemented for all undergraduate and Post graduates programs from the academic year 2023-24.

Along with foundational literacies, Outcome based curriculum framework also focuses on developing the competencies of students in areas like critical thinking, collaboration, communication and creativity.

Part - I: First language (Tamil / Hindi / Sanskrit)

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses students' learning levels and organises special programmes for both slow and advanced learners.

The Madura College, as an educational institution catering to the needs of students has assessed that learning disparity is visible at two stages.

1.Entry level 2.During progression

With the students entering the realm of higher education from a medium of instruction, other than english, in the range upward of 40%, the prime need is to bridge the language gap. To help both the students from Tamil medium of instruction and English medium of instruction that the college has adopted Content and Language Integrated Learning (CLIL) for its Part- II English language curriculum.

The students were also assessed on domain specific knowledge through an Entry Level Test conducted by the respective departments. Based on the assessment the students are classified as slow learners and advanced learners. The slow learners are offered a short Bridge Course and Remedial Coaching for specific courses based on student needs as assessed by the respective course teachers.

Advanced learners, as assessed through entry level test or by the course teacher, are given provision to earn Extra Credits by taking certificate courses, add-on courses, diploma programmes offered by the college or by way of credit transfer from MOOC platforms like Swayam.

2.2.2 - Student - Teacher (full-time) ratio

Year	Number of Students	Number of Teachers
19/06/2023	3510	202

File Description	Documents
Upload any additional information	View File

2.3 - Teaching- Learning Process

2.3.1 - Student-centric methods such as experiential learning, participative learning and problem-solving methodologies are used for enhancing learning experiences:

The college has introduced a student-centric approach at all levels of the teaching learning process vide. course design, teaching, learning and evaluation in addition to active department clubs and peer-to-peer learning.

Course design:

The college follows an exhaustive course design principle in which the curriculum, the pedagogy, external references, course plan, assessment structure, blueprint are planned during the design of the course.

Teaching-learning process:

Tutorial, problem solving sessions, in-class quizzes and other active learning strategies are used as tools for student-centric learning. Students are given exposure to student-centric online tools available like virtual labs and talking dictionaries. Students are taken for field visits relevant to their curriculum.

Evaluation:

The college has introduced Continuous Internal Assessment (CIA) for all programs. The course teachers are given the freedom to choose assessment methods as they deem fit from time to time. Quiz, student seminar, group discussion, chart making, working-model / demo-model creation, viva-voce.

Clubs and Study Circles:

Department clubs are functional and organize competitions like paper presentation, model making, rangoli, quiz and dumb charades, Peer study circles are where students of the class sit together and share their knowledge and ideas on subject areas to the peer group.

Link for additional Information	Nil

2.3.2 - Teachers use ICT-enabled tools including online resources for effective teaching and learning

Self-learning and the motivation to self learn imbibe the quality of lifelong learning to the graduate. Open Educational Resources and MOOC courses are tools for graduates in this direction.

Tools like Google forms, quizizz and plickers support the teaching-learning process by being good everyday assessment tools at the hands of the teacher. Learning Management Systems like Canvas, Edmodo and Google classroom support teachers in organising activities of the class in addition to acting as an assessment tool.

Infrastructure and training are two aspects enabling use of ICT tools and online resources for teaching-learning process. For enabling optimal utilization of resources, each department is provided with LCD projectors. The college also has two smart classrooms with starboard facility. Each department is provided with 75 Mbps fiber internet connection. Three seminar halls having a capacity more than 100 each cater to the needs of the teaching-learning process.

Workshops were organised to train the teachers on use of ICT tools. Courses focusing on use of plickers, quizizz and canvas were organized for the faculty to enable teachers to adapt to the changing needs of the classroom.

Circulars with regard to assigning mentors to mentees	View File

2.3.4 - Preparation and adherence to Academic Calendar and Teaching Plans by the institution

The schedule of all academic activities like start / end of the academic session, fee payment, schedule of internal test, deadlines for submission of exam applications, scheduled mentor-mentee meetings, dates for conduct of meetings of various statutory committees and cultural events are planned and printed in the academic calendar.

The College Council meets before the start of every academic year to prepare the academic calendar for the year. During the meeting of the College Council, necessary measures for course correction are discussed and adopted for adherence to the academic calendar.

Each department meets at the start of the academic year to plan activities of the department like seminar, guest lectures, Parents-Teachers Association meetings, club activities, purchases and other department specific activities are meticulously planned and taken up for execution.

The academic calendar is published on the institutional website. A handbook of instructions for students along with the college calendar is published every year as a ready reckoner for both the faculty and students.

A detailed course plan including pedagogy and schedule has been designed along with the curriculum and passed in the Board of Studies and Academic Council for adherence by the respective course teachers.

2.5.3 - IT integration and reforms in the examination procedures and processes including Continuous Internal Assessment (CIA) have brought in considerable improvement in the Examination Management System (EMS) of the Institution

The Examinations Section of The Madura College is automated right from student entry to exit. The automation is done using

- ROVAN EMS (Examination Management System)
- ROVAN IMS (Institutional Management System)

While student interaction happens through the cloud based IMS, internal processes happen in the EMS. The cloud based IMS has the following features for students.

- Online application form for students
- Online exam fee payment
- Hall-ticket download
- Internal mark entry view for students
- Approval of marks for CIA by students
- Submission of exam related grievances
- Feedback on question papers

The IMS has the following features for teachers

- Entry of Internal marks by teachers
- View of result of students

All the pre-examination work is carried out in the pre-examination module which includes the following features

- Student master records
- Faculty master records
- Programme/Course master records
- Examinations master records
- Question paper stock

All work related to the examination like exam application reconciliation, time table preparation, hall-ticket generation, allotment of examination, hall allotment, are done using the examination module. The post examination module takes care of all post-examination work like result preparation, reports for awards committee, moderation, mark statement preparation, communication to the university and claim form for exam related work.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme Outcomes and Course Outcomes for all Programmes offered by the institution are stated and displayed on the website and communicated to teachers and students

Outcome Based Educational framework is being followed for all academic programmes. For undergraduate programmes, the graduate attributes defined by University Grants Commission in its note on Learning Outcome based Curricular Framework (LOCF) has been taken as the national standard for a graduate.

Graduate Attributes:

- Disciplinary Knowledge
- Problem Solving and Analytical reasoning
- Information and digital literacy
- Communication skills
- Moral and ethical awareness and reasoning
- Research related skills
- Cooperation / team work
- Self-directed and lifelong learning

The programme outcomes for various programmes of our college have been written in line with the vision and mission of the college and attributes defined by UGC. The departments design the Programme Educational Objectives and Programme Specific Outcomes based on the Programme Outcomes defined for the particular programme. The programme outcomes is passed by the respective boards of studies of the individual departments and by the Academic council of the college, which is then approved by the Governing Body.

The Programme Outcomes / Programme Specific Outcomes along with the Programme Educational Objectives are displayed in the College website and is readily available for all. In addition, syllabus for the individual courses contain the course outcomes and the correlation mapping with the programme outcomes.

File Description	Documents
Upload COs for all courses (exemplars from the Glossary)	View File
Upload any additional information	No File Uploaded
Link for additional Information	Nil

2.6.2 - Attainment of Programme Outcomes and Course Outcomes as evaluated by the institution

The course outcomes are mapped against programme outcomes on a 3 point scale with 1 indicating low correlation 2. Weights are assigned for each course based on cumulative points of mapping of course outcomes against programme outcomes. Course Outcomes are directly measured while program outcomes are derived from course attainments.

All question papers are set indicating the course outcome and the knowledge level as in Revised Bloom's Taxonomy against each question.

The attainment for each course outcome is measured on a 3 point scale with 9 indicating high attainment, 3 Indicating medium attainment and 1 indicating low attainment.. Each student's programme outcome attainments are calculated by multiplying the weight for each

programme outcome assigned for each course with the percentage marks scored in the course.

The attainment of outcomes perceived by the student is assessed through a questionnaire prepared for this purpose. The course attainment for the class is computed by considering 80% of attainment from direct assessment and 20% of attainment assessed qualitatively through feedback mechanism. The manual for calculation of outcome attainment is passed in the Academic Council (held on 20-07-2022) and attainment mapping is being implemented in a phased manner.

2.7 - Student Satisfaction Survey

2.7.1 - Student Satisfaction Survey (SSS) on overall institutional performance (Institution may design its own questionnaire). Results and details need to be provided as a weblink

<https://www.maduracollege.edu.in/SSS%202023-24.pdf>

RESEARCH, INNOVATIONS AND EXTENSION

3.1 - Promotion of Research and Facilities

3.1.1 - The institution's research facilities are frequently updated and there is a well-defined policy for promotion of research which is uploaded on the institutional website and implemented

The Madura College has a total of 9 departments (Aided) are recognized as research centres. A total of 51 faculty of our college are recognized as research supervisors. A total number of 70 research scholars enrolled during 2023-24.

Research Committee

The Research Committee has been set up with the principal as the chairperson. The committee meets at least twice in a year

- To suggest amendments to the existing research policy.
- To take cognizance of the research activities of the college.
- To suggest ways of improving the quality of research in the college.

- To suggest new schemes / implement existing schemes approved by a competent authority related to promotion of research in the college.
- To recommend teachers for awards / prizes.
- To recommend proposals for award of various schemes.

Research Policy

A comprehensive policy for promotion of research has been drafted by the Research Committee. The research policy of the college has been placed in and approved by the governing body of the college.

Research facilities

Research facilities have also been established through funds received from DST-FIST and UGC-Autonomy grant. The College has subscribed to N-LIST and DELNET to provide access to scholarly articles and e-book access to all.

3.3 - Innovation Ecosystem

3.3.1 - Institution has created an ecosystem for innovations and creation and transfer of knowledge supported by dedicated centres for research, entrepreneurship, community orientation, incubation, etc.

Centres for research

Research is a formal, systematic and structured study in any field leading to the creation of new knowledge in the area of study. A total of 9 departments of our college have been recognized as formal centres of research by Madurai Kamaraj University and a total of 51 teachers have been recognized as research supervisors.

Entrepreneurship Development Cell

. The Madura College has set up an entrepreneurship development cell. The Madura College has signed an MoU and implemented the entrepreneurship cluster development programme with ICT Academy. The Madura college has also registered itself as a spoke institution of the EDII, Department of MSME, Government of Tamilnadu) hub of Madurai Kamaraj University.

Community Orientation

As a higher educational institution, we are aware that engagement of students with the community would lead to grassroot innovation. It is with this motive that all undergraduate students take a community oriented extension programme as part of the curriculum under Part - V. In addition, the college has adopted five villages under Unnat Bharat Abhiyan scheme of Government of India.

Incubation

Even though incubation is at its infancy, we are proud that one startup has been incubated in our campus.

3.6 - Extension Activities

3.6.1 - Extension activities carried out in the neighbourhood sensitising students to social issues for their holistic development, and the impact thereof during the year

The role of higher education in today's scenario is to produce well-rounded citizens who are not only strong in their cognitive domain but also strong in their affective and psychomotor domains. Emotionally intelligent citizens whatever they do, they can excel in teamwork and can also motivate others in their team to outperform by their

interpersonal skills. Empathy and higher-order social skills are learnt only through structured interaction with the society. It is with this motive that extension activities are offered mandatorily as part of the curriculum through

Part-V.

The college offers NSS, NCC, YRC and Physical Education as Part V. The college has also adopted five villages as part of its commitment to national development through "Unnat Bharat Abhiyan. It helps our students to understand the dynamics of our society and understand social issues prevalent in the neighbourhood community. This also helps students to come with out of the box solutions to the problems in our society.

Students are sensitized to various social issues by organizing a wide variety of programmes addressing these issues. Students take up community work as part of their Part-V curriculum. The college, through the students have also supported the district administration, the panchayats of the adopted villages.

INFRASTRUCTURE AND LEARNING RESOURCES

4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching-learning, viz., classrooms, laboratories, computing equipments, etc.

Spacious classrooms and laboratories with high ceilings is one of the unique features of our college. 14 different blocks house 94 classrooms, 24 laboratories, 5 seminar halls, library and common computational facilities. Twelve blocks have been constructed in G+1 architecture with large verandah space, one in G architecture and one in G+2 architecture. The more than adequate spacing between blocks has ensured that there is no crowding of spaces during arrival, dispersal and during breaks.

Classes have been earmarked for each year of students of every programme. All classrooms have adequate lighting and ventilation. Students move from their classes only during electives offered by departments other than their programme of study and for language of study opted by the students.

Each and every department is provided with computers along with fiber broadband internet connection which provide high speed internet access to students and teachers. All corridors and all laboratories are provided with WiFi facility powered by M/S Jio Infocomm Ltd with a limited data limit of 30 MB/day per student.

Each and every department is provided with LCD projector facilities in addition to five common seminar halls with LCD projector, broadband

internet and audio visual facilities .

4.1.2 - The institution has adequate facilities for cultural activities, yoga, sports and games (indoor and outdoor) including gymnasium, yoga centre, auditorium etc.)

The Madura College believes in all-round development of the students. Sports and cultural activities play a major part in shaping well-rounded citizens who are not only fit and healthy but also appreciate art and mental well being. Our college boasts of a huge 43 acre campus with large grounds and sports complexes.

Facilities for cultural activities

The college has two multipurpose halls with audio visual aids that are being used by students for the cultural activities. The open air Auditorium of the college is used to conduct all college functions, cultural festivals and PULARI and ANDHIPOOKAL, the annual cultural fests of the college.

Yoga

Regular yoga classes are conducted for the benefit of general public which includes interested staff and students of our college. The college has an association with RK Yoga centre for coordinating the yoga programmes of our college.

Sports

The college has three large cricket/ football grounds in addition to badminton courts, volleyball courts, a basketball court and a facility for indoor games like carrom, chess, table tennis etc. The Madura College Tennis Academy boasts of 4 synthetic tennis courts of international standards which can host international tournaments.

4.2 - Library as a Learning Resource

4.2.1 - Library is automated using Integrated Library Management System (ILMS)

The Harvey library has a rich collection of 85000 volumes of books pertaining to various disciplines catering to the academic needs of students and faculty.

Library Automation

We have been using Autolib, an Integrated Library Management System, since 2003 to automate various library functions such as:

- Book purchase
- Maintaining Bibliographic databases
- Maintaining member database
- Maintaining record of gate entry
- Issue -return
- Online title search (OPAC)
- Remote access to catalogue

We have a local server and two terminals in a LAN, one for issue and return of books and the other terminal for OPAC - Online Public Access Catalogue.

Information Resource Center:

Information Resource Centre caters to the information needs of the users by facilitating access to online resources and e-resources, like e-books, NPTEL study materials, Audio books, e-books. Online journals are made available through subscription to NLIST and DELNET. Our college holds a club membership in NDLI. Uninterrupted internet access facility is provided for accessing both paid and free online educational and learning materials available online.

4.3 - IT Infrastructure

4.3.1 - Institution has an IT policy covering Wi-Fi, cyber security, etc. and has allocated budget for updating its IT facilities

Each and every department in the college is provided with computers along with internet facility in addition to access to the centralized facility. The college encourages the use of open source operating system and open source software for enhanced cyber security and periodic updates.

The college provided internet facility to all departments using legacy ADSL with routed LAN prior to 2017. Wi-Fi facility powered by jio infocomm was set up in 2018 with a limited daily usage limit of 30 MB/day per user. Due to the usage limit restriction in the Wi-Fi facility powered by Jio Infocomm, the college set up a centralised fibre internet facility @50 Mbps at the Harvey library (the central library of our college) powered by ACT Fiber net in 2019. The bandwidth of the central facility was enhanced to 75Mbps in 2020. In the academic year 2021-22, each department is provided with an individual 75 Mbps fibre internet connection.

Firewall and web content filtering are configured at the router level to prevent access to inappropriate content in addition to providing internet security software wherever necessary.

The college has an IT policy for utilization and upgradation of IT facilities in the institution.

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - classrooms, laboratory, library, sports complex, computers, etc.

The Madura College, being a premier higher educational institution of over 130 years, understands the need for optimal utilization and proper maintenance of physical resources.

The finance committee of the college prepares the budget for each financial year and allocates funds under various heads of accounts like including purchase of new equipment, books, subscription to eresources, software, computers, internet facility, student support facilities, AMCs for preventive maintenance, periodic servicing of large equipments, repairs and provision for contingent expenditure. Allotment of funds is done based on requirement analysis and based on request from the departments.

All purchases, repairs and maintenance are carried out as per Standard Operating Procedures (SOP) evolved for the same. Several committees have been constituted to verify and scrutinize the purchase, utilization and maintenance of physical facilities.

The caretaker of the college looks after maintenance of common facilities of the college including classrooms, laboratory space, toilets, seminar halls, corridor etc., The electrical supervisor takes care of the electrical safety and maintenance of all electrical facilities of the college.

The Madura College understands that maintenance and proper utilization of physical resources is a collective responsibility of all stakeholders of the institution and organizes awareness programme to all.

5.3.2 - Presence of an active Student Council and representation of students in academic and administrative bodies/committees of the institution

The college values the opinion of all stakeholders. It is with this motive that the opinion and feedback of students are given utmost importance in decision making. The college has an active Students' Council, the representative council of students.

The Students' Council is a body of representatives from all programmes offered by the college. The members are nominated by the respective departments. The members elect the office bearers democratically by the process of election. The primary aim of the council is to identify and help solve problems encountered by the students of the college.

The Students' Council is responsible for:

- organizing the college assembly.
- bringing students' achievements in various spheres to the notice of the administration.
- bringing students' grievances to the notice of the administration and help resolve the same.
- for bringing out the college magazine to showcase the artistic talents of the students.
- help the administration in maintaining discipline during the conduct of functions and events in the campus.

Student-teacher meetings are organized to collect their feedback on curriculum. Also student representatives are inducted into the Board of Studies of all departments to ensure that students opinion are considered while implementing changes in curriculum.

5.4 - Alumni Engagement

5.4.1 - The Alumni Association and its Chapters (registered and functional) contribute significantly to the development of the institution through financial and other support services

The Madura College Alumni Association [erstwhile Madura College Old Boys' Association (since 1945) up to 2010-11, Old Students Association up to 2014-15 and then on as Madura College Alumni Association(unregistered)] is a registered body under The Tamil Nadu Societies Registration Act, 1975 by the Office of The Registrar, Madurai South, Madurai. The registration number is SRG / Madurai South / 164 / 2022 . The Alumni Association has the following objectives:

- To promote camaraderie among past students of The Madura College.
- To motivate the old students to think about their college and participate in its in development.
- To conduct Seminars and Conferences, on any matters of general importance.
- To exchange information and experience among former students of The Madura College.
- To promote interaction of the alumni with current students.
- To raise funds for the association.
- To extend financial assistance to the college on its own or by establishing a separate Trust for that purpose.

The following are the significant contribution of the Alumni Association during the recent years.

- Tennis Court
- Stone Benches
- Construction of Mini Auditorium
- Renovation of Cycle Stand
- 100 Tree Saplings were planted in the College premises
- An Overhead Projector
- Donation to College for Buildings purposes

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of an effective leadership in tune with the vision and mission of the Institution

The Vision and Mission of the institution defines the distinctive characteristic features and the core values of the Institution addressing to the needs of the society and is in tune with the objectives of the higher education policies of the Nation. Effectiveness of leadership can be gauged by the efforts taken in planning and implementation of various policies and schemes aimed at the development of the institution. The Principal, as the head of the

institution, overseas all the planning and deployment of activities of the college. The Principal delegates his authority to the Deans, Controller of Examinations, Heads of Departments, Superintendent of Examinations and Co-ordinators to enable decentralized and participative administration. The various statutory committees, constituted according to the guidelines, support the principal in the administration of the college. The non-statutory committees are formed by the principal to perform various activities of the college. The IQAC, setup as per guidelines, frame draft policies, perspective plan, strategic plan, action plan and other planning documents aimed at achieving internal benchmarks/targets. The planning documents/policies are approved at appropriate bodies and taken up for action. The Deans, CoE, Heads of Departments, Co-ordinators of various committees act as executives in deploying the plans.

File Description	Documents
Upload any additional information	View File
Paste link for additional Information	Nil

6.1.2 - Effective leadership is reflected in various institutional practices such as decentralization and participative management

The institution defines decentralization as working through delegation of authority. Decentralized systems of governance are advocated and practiced in the college by designating and involving committees to look after various issues and facilitate a better chance for taking part in the governance. Participative management is further ensured by various bodies like Finance Committee, College Committee, Academic Council, Board of Studies, Awards Committee, IQAC, College Council, Examination Cell and Women's Cell etc.

Case Study:

The curriculum is revised every three years. The framed syllabi is submitted for technical scrutiny to the OBE scrutiny committee headed by Dean (Academics). The Committee suggests corrections of technical nature to the respective departments. The departments, after incorporating necessary correction places the curriculum in the BoS and the same is taken up for discussion. The BoS for each department consists of Chair person (HoD), two University Nominees, two subject experts, an Alumni, a student representative, an industrial expert and all members of Faculty. After incorporating the suggestions of BoS, the syllabi shall be submitted to the Academic Council for approval. Departments review the curriculum periodically and decide about the implementation of new courses.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ Perspective plan has been clearly articulated and implemented

The institution has well-defined perspective and strategic plans based on which the action plan of the college is defined. Efforts are taken to ensure successful deployment of the action plan. A case study for effective deployment is presented herewith.

Implementation of Outcome Based Education (OBE) marked a paradigm shift in the portals of higher learning across the globe. UGC through its Quality Mandate decided to adopt Learning Outcome Based Education (LOBE) for all higher educational institutions by 2021. UGC-SERO organized a "Training on evaluation reforms in higher education" workshop on 18th and 19th July 2019 for the Controller of Examinations and other Educational Administrators under its jurisdiction.

The departments collectively performed the following functions:

- Preparation of draft curriculum considering stakeholder feedback
- Carrying out technical corrections after scrutiny
- Convening the Board of Studies (BoS) and implementing the suggestions from external members into the draft curriculum
- Submitting the minutes of BoS along with the curriculum to the member secretary of the Academic Council.

The curriculum is developed in accordance with the regulations of University Grants Commission and the Tamilnadu State Council for Higher Education (TANSICHE). TANSICHE was implemented for all undergraduate and Post graduate programs from the academic year 2023-24.

6.2.2 - The functioning of the various institutional bodies is effective and efficient as visible from the policies, administrative set-up, appointment and service rules, procedures, etc.

The college is governed by The Madura College Board (MCB). The College Committee, constituted according to the Tamilnadu Private Colleges (Regulation) Act 1976, is represented and chaired by the President of Madura College Board along with the Secretary and Directors of the Board, The Principal, two senior faculty members, Office Superintendent and University nominees as members.

The College Council consisting of all HoDs, Coordinators of extension activities, librarian as members under the chairmanship of The Principal. The College Council advises and helps the principal in taking decisions in day-to-day functioning of the college. The finance committee of the college ensures fair utilization of funds through monitoring the utilization of department/intuitions' budget and consider audited accounts for approval. The Deans (Administration, Academics, Planning and Development) have administrative, academic, programmatic and managerial responsibilities of the college.

The Academic council under the chairmanship of Principal with nominees from university, representatives from industry, management and faculty of all the departments as members hold the responsibility of passing the resolutions passed in the various Board of Studies (BoS) of the college. The BoS is constituted as per the UGC norms with the Head of the Department (HoD) as chairman.

6.3 - Faculty Empowerment Strategies

6.3.1 - The institution has effective welfare measures for teaching and non-teaching staff and avenues for their career development/ progression

The institution effectively implements the welfare schemes for the teaching and Non-teaching staff. The College makes arrangements for availing all the government schemes such as Gratuity, Pension, Commutation of Pension, Maternity Leave, Medical Facility, Leave for Overseas Project or Conference, Health Fund Scheme, Permission to attend FDP such as Orientation programmes and Refresher courses, short term courses, etc. for the career development and progression of the teaching as well as non-teaching staff. The staff appointed by the management are provided with ESI and Provident Fund benefit. To cater to the financial needs, credit facility by way of cooperative loan from the wholly self-funded co-operative credit and thrift society is extended. Faculty Development Cell is dedicated towards enriching the teaching-learning environment by organizing enrichment programmes towards opening newer avenues in the betterment of teaching-learning process. Besides these, the college has organised Passport mela, Health Camp (Eye Check-up), Covid - 19 Vaccination camp through Health and Fitness Cell for the benefit of its staff. Seed Money Scheme is also implemented in order to promote research and innovation amongst faculty members by providing financial support to them.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly

Finance committee is a statutory committee setup as per UGC regulations for Autonomous colleges. The Finance committee meets twice a year as per norms and approves the budget/revised budget. The financial planning is approved by the Governing Body. The purchase committee has been constituted at the department/institutional level to scrutinize purchases as per SoP. Quarterly internal financial audit is conducted by M/s Manian and Rao Chartered Accountants, Madurai.

The statutory audit is conducted by M/s. R. Seshan Chartered Accountants, Madurai. Besides, the office of Regional Joint Director of Collegiate Education conducts annual audit of the salary and other government related accounts. Similarly, audit by the Accountant General is also done for the funds released by Government, UGC and

Government agencies. The Madura College Co-operative society accounts are audited by the auditors of the apex Co-operative body.

The accounts are regularly audited as per statutory regulations and whenever there audit objection, systematic follow-up actions are initiated with the funding agencies to resolve the audit objection. As on date, there is no remarkable audit objection.

6.4.3 - Institutional strategies for mobilisation of funds and the optimal utilisation of resources

The institution has the following policy for mobilization of resources.

Grants from Government / Government agencies / Private agencies:

The College, being an autonomous institution recognized u/s 12(b) and 2(f) of the UGC Act, is eligible to tap funding from Government and Government agencies. The College administration is encouraged to send proposals to Government schemes for which the college is eligible.

Research Projects:

All faculty members are encouraged to apply for research projects from Government and Private bodies, as per terms and conditions specified by the funding agency.

Joint ventures with Private agencies:

The college is open to creating shared resources through joint ventures which are beneficial to both the third party and the college.

Sharing of expertise / Infrastructure / Other facilities:

The college encourages sharing of expertise / research infrastructure / available with the institution with the permission of the Principal. The revenue generated must be used for regular maintenance / repair of the research facility / purchase of consumable for the operation of the resource.

Endowments:

Endowments shall be instituted for award of scholarships / prizes / organizing seminars with aid from philanthropists.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing quality assurance strategies and processes visible in terms of incremental improvements made during the preceding year with regard to quality (in case of the First Cycle): Incremental improvements made during the preceding year with regard to quality and post-accreditation quality initiatives (Second and subsequent cycles)

The IQAC has contributed significantly for institutionalizing the quality assurance processes as visible from the following quality initiatives undertaken during 2017-22. (list not exhaustive)

- Implementation of OBE with multi-disciplinary and inter-disciplinary courses across all programmes.
- Augmentation of 2204 sq. mts of built-up area.
- Installation of firewalled centralized wi-fi internet facility with content filtering provided to students in the east corridor of the college.
- Implementation of CLIL in Part-II English to bridge students from medium of instruction other than English.
- Implementation of e-governance in all areas of administration like office automation, admission processing, attendance, examination system, finance and student portal (including feedback and grievance redressal).
- Installation of 25kW solar power plant.
- Establishment of Miyawaki Forest - an ultra-dense bio-diverse pocket forest in collaboration with Rotary Club of Madurai West.
- Installation of Spirulina Cultivation, Vermi-composting pits and Glass house facilities.
- Establishment of flood lit synthetic tennis courts in accordance with International standards

Practice I: Implementation of Outcome Based Education

Practice II: Green Initiatives

1. Reduction in waste production and management of waste
2. Reduction of carbon footprint of the institution
3. Periodic stock-taking, course correction and mitigation efforts
4. Creating awareness on sustainability issues through outreach activities

6.5.2 - The institution reviews its teaching-learning process, structures and methodologies of operation and learning outcomes at periodic intervals through its IQAC as per norms

The teaching - learning process is at the heart of every academic institution. The IQAC reviews the teaching - learning process, structures & methodologies at periodic intervals as envisioned below.

The college collects feedback on curriculum and teachers after the publication of results in each semester. The curricular feedback is analysed and disseminated to the departments to incorporate the feedback into the curriculum during subsequent revision of curriculum. Feedback on teachers is shared with individual teachers for self - introspection and course correction.

Student Satisfaction Survey is collected every year from final year students to assess the overall teaching - learning process in the institution.

Annual Internal Review is conducted to take stock of the performance of each department in terms of teaching - learning process, evaluation, results (outcome), research and overall contribution of the department.

The college conducts external peer team review of the performance of the institution in aspects related to teaching-learning process, research, co-curricular, extra-curricular, extension and student support activities. Academic and Administrative Audit (AAA) and Library Audit are conducted with external peer team to assess the effectiveness of implementation of policies and procedures of the college.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

SENSITIZATION:

The Madura College is dedicated to fostering a safe and inclusive environment for all stakeholders, free from gender bias. To raise awareness about gender issues, the college offers Gender Studies as part of the mandatory "Environment and Gender Studies" course for all undergraduate programs.

FACILITIES FOR WOMEN IN CAMPUS:

Some such facilities include:

(i) Safety and Security

- CCTV cameras are installed throughout the campus to monitor visitors and enhance security.
- The Anti-ragging Cells ensures a safe environment.
- Incinerators are available for the disposal of sanitary napkins.

(ii) Nursing Care

A dispensary staffed with a full-time nurse addresses the medical and emergency needs of students and faculty. The college has also appointed a registered medical practitioner as a doctor-on-call.

(iii) Counselling

Mentors serve as the first point of contact for students seeking academic or personal guidance. Each mentor is assigned to a group of 20 students to ensure personalized attention. For students needing professional support, mentors refer them to the Student's Counselling Cell for future assistance.

(iv) Common rooms

- A common room (Ladies lounge) is provided for faculty and students to relax during the break hours.
- A Burka change room is available for Muslim girls.

7.1.3 - Describe the facilities in the institution for the management of the following types of degradable and non-degradable waste (within a maximum of 200 words)

Solid waste management:

The College implements various techniques to manage degradable and non-degradable waste, with a primary focus on reducing, reusing, and recycling. The administration has declared the campus a plastic-free zone and has decided to eliminate the use of disposable cups for drinking water and canteen services.

Waste segregation bins have been installed at prominent locations.

Liquid waste management:

Sewage system is present in all the washrooms of the college, appropriate care is taken to see that there is no water stagnation to prevent mosquito breeding. The rain water from the terrace of the college is used to recharge ground water with rain water harvesting system installed at all buildings.

E-Waste management:

Electronic gadgets are repaired for minor defects by our lab technicians to ensure its optimum utilization. Some of the reusable electronic components like resistors, capacitors, inductors, diode, transistor, thermistors etc. are removed from the gadgets and used by students for projects.

Waste recycling:

Waste water is properly collected and fed to the sewers. Waste water generated by RO Plant is used to recharge the open well in the campus. Waste water generated from hand-wash points and canteen is used for gardening.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e. tolerance and harmony towards cultural, regional, linguistic, communal, socio-economic and other diversities (within a maximum of 200 words).

Our college prayer signifies our commitment towards the development of society with traditional values and inclusive environment.

The admission procedure of the college, adhering to reservation policy of Govt. of Tamilnadu, enables students from various socio-economic backgrounds to join the institution. About 80% of the students admitted to the college are from socio-economically disadvantaged sections of the society.

Students from rural background, whose medium of instruction is Tamil are bridged using CLIL (Content and Language Integrated Learning) in Part-II English language study.

The college takes care of the logistics of supporting the students through Government scholarships. In addition, the college has instituted several endowments for offering scholarships to meritorious and socio-economically disadvantaged students. College also provides fee waiver to all differently abled students.

Cultural events are organized on different occasions like Independence day, Pulari (Annual Cultural day), Republic Day, Women's day etc. The national festivals, birth anniversaries and memorials of great Indian personalities like Mahatma Ghandhiji, Mahakavi Bharathiyar, U.Ve.Sa. are observed with great fervour.

Several departments organize field visit and study tours to various parts of Tamil Nadu by which the faculty and students are exposed to the different cultures.

File Description	Documents
Supporting documents on the information provided (as reflected in the administrative and academic activities of the Institution)	View File

7.1.9 - Sensitization of students and employees of the institution to constitutional obligations: values, rights, duties and responsibilities of citizens:

The college, as a value oriented educational institution, sees the need for inculcating values in its students. The Student Induction Programme (Deeksharambh) is organized under the aegis of UGC quality mandate with the following objectives:

- Creating a feeling of oneness with the institution on the inductees.
- Mentoring the inductees on Universal Human Values.
- Bringing out creativity among inductees.
- Making the inductees understand their duties and responsibilities to their classmates, the institution, the society and the country at large.
- Supporting the inductees to make themselves realize the importance of team work and empathy.

Courses on 'Value education and Professional ethics' and 'Environmental and Gender studies' are offered as part of the curriculum for all UG students for inculcating values and ethics.

The college has a stated code of conduct for faculty and students and adherence to the same is ensured. The college celebrates events of national importance like the Independence day, Republic day with fervour. Such celebrations inculcate the sense of pride and constitutional values in students which help the students to develop into dutiful and responsible citizens of the Republic of India.

7.1.11 - Institution celebrates / organizes national and international commemorative days, events and festivals

NATIONAL SCIENCE DAY:

National Science Day is celebrated by all science departments by organizing a seminar/conducting competition for students depicting the inventions & discoveries by various scientists.

INTERNATIONAL WOMEN'S DAY:

The Madura College celebrates International Women's Day every year with great enthusiasm and spirit. Women who have excelled in various fields are invited as guest speakers to inspire students to pursue and excel in their careers.

WORLD MOTHER TONGUE DAY:

Our college celebrates World Mother Tongue Day every year to inculcate the importance and to celebrate the rich culture as brought out in the literature. Tamil, one of the oldest classical languages, having continuous spoken tradition of over 2000 years is celebrated on the day.

REPUBLIC DAY CELEBRATIONS:

The constitution of the Republic of India came into effect on 26th January 1950. To honour the drafting committee and the constitution of India, the republic day is celebrated in the college. Flag hoisting is followed by a parade by NCC cadets as a part of Republic Day celebrations of the College.

INDEPENDENCE DAY CELEBRATIONS:

India attained independence on August 15, 1947. Every year, Independence Day is commemorated to honour the freedom fighters who struggled for our Nation's freedom.

7.2 - Best Practices

7.2.1 - Provide the weblink on the Institutional website regarding the Best practices as per the prescribed format of NAAC

Best Practice I:

Title of the practice

Wholesome Welfare Schemes

Objectives

To provide wholesome welfare schemes for staff and students aimed at enhancing productivity of outcomes.

Context

- Synergy among various stakeholders is essential for any educational institution to realize its goals of becoming a world class educational institution.
- Welfare schemes help the institution to achieve a sense of oneness among various stakeholders.
- Welfare schemes focused not only on financial security, but also on empowering the staff with newage skills for personal and professional development.

Best Practice II:

Title of the practice

Holistic Education

The context

- In the context of holistic education, the focus is on the total development and well-being of the individual rather than on academic achievement. Teachers and educators aim to create a supportive learning environment that encourages students to explore their interest, develop their skills and discover their passion. They also work to foster relationship among students, and between students and teachers based on mutual respect, trust, and cooperation.
- Holistic education often incorporates experiential learning such as field trips, service learning, and handson projects which help students to connect their classroom learning to real-world experiences and to develop a deeper understanding of their place in the global context.
- Synergy among various disciplines will lead to innovation and cross-disciplinary understanding of the problems of the society. An interdisciplinary culture will lead to inter-disciplinary projects and inter-disciplinary research which in-turn would lead to multi-disciplinary solution to problems of the society.

7.3 - Institutional Distinctiveness

7.3.1 - Highlight the performance of the institution in an area distinct to its priority and thrust (within a maximum of 200 words)

Multidisciplinary and Interdisciplinary courses have become a popular trend in modern education. These courses bring together multiple subjects to provide a comprehensive and integrated learning experience.

The Madura College offers courses to enrich students' knowledge and enhance interdisciplinary and multidisciplinary learning opportunities. Department clusters have been formed to determine the content and titles of multidisciplinary and interdisciplinary courses. Multidisciplinary courses are offered to post graduate students, while undergraduate students are offered with interdisciplinary courses.

These courses provide students with a unique and valuable learning experience, as they are exposed to different perspectives and approaches to solving problems. Additionally, these courses help students to develop critical thinking and problem-solving skills, as they must integrate and apply knowledge from multiple disciplines.

File Description	Documents
Appropriate link in the institutional website	https://www.maduracollege.edu.in/home-distinct.php
Any other relevant information	No File Uploaded

7.3.2 - Plan of action for the next academic year

- To develop and implement strategic plan to align with the college's vision and mission.
- To implement quality assurance mechanism to ensure academic excellence and institutional effectiveness.
- To implement courses related to Indian Knowledge System (IKS), bilingual, Inter-Disciplinary / Multi-Disciplinary Courses across all programmes from the AY 2024-25.
- To construct a multipurpose centre with Visual Media Centre in order to facilitate the faculty to create courses for Swayam Portal.
- To conduct various programmes both for students and faculty to develop multiple skills in collaboration with ICT Academy of Tamil Nadu Government.
- To encourage and support students to promote extracurricular activities.
- To organize events, workshops and seminars to enhance students' skills and knowledge.
- To encourage and support faculty and students in research initiatives including funding and resources.
- To enhance the Solar power capacity from 75 KW to 100 KW.
