**DEPARTMENT OF CHEMISTRY
THE MADURA COLLEGE (AUTONOMOUS)
MADURAI**

**SWOC ANALYSIS REPORT FOR UG (2019-20)
(Based on Students' Satisfaction Survey)**

Based on the Students' Satisfaction Survey, a meeting with faculty members of Department of Chemistry is held on 24th December 2020 regarding the SWOC analysis for the year 2019-20.

STRENGTH

1. Maximum students reported that the syllabus covered completely in all papers.
2. Teachers' preparation for the class was excellent.
3. Bi lingual communication of teachers.
4. Course materials provided by teachers.
5. Internal evaluation process was on-time and not biased.
6. Syllabus relevant to employability.
7. Extension programme to develop social responsibility and leadership quality.

WEAKNESS

1. Late comers from long distance.
2. Remedial classes are not conducted.
3. Assignment performance was not discussed.

OPPORTUNITIES

1. Students are availing departmental instrumentation center.
2. Students are provided with department library books and e-books.
3. Students got exposure to write JAM examination.
4. Students are utilizing inflibnet for study materials.

CHALLENGES

1. Students need question bank for each course.
2. Industrial visit/educational tour were not organized.
3. Students expect a mini project and summer training.

ACTION TAKEN ON WEAKNESS & CHALLENGES

- Late comers are advised to follow college timings through their mentors.
- Course teachers are asked to conduct remedial classes.
- Faculty members are requested to discuss the performance of students' assignments and to prepare question bank course wise.
- Planned to conduct Industrial visit/educational tour.
