### ***DAAN UTSAV / FESTIVAL OF PHILANTHROPY***

#### **A REPORT**

DAAN UTSAV, the festival of philanthropy was organized in our college by Women's Cell and National Service Scheme in collaboration with Yoga Amirtham Charitable Trust (YACT), Madurai on 5<sup>th</sup> October 2018 in our college premises. The theme of the celebration was decided to be "HEALTHY LIFE THROUGH FOOD WITH SIX BASIC TASTES". Dr.J. Suresh, Principal of the college inaugurated the celebrations by insisting on the importance of DAAN UTSAV. He partook in the fun games and contributed his kindness in the form of small monetary offering to the trust. Following him staff and students participated in the fun games like dart board, bursting balloons, bucketing the balls, basketball and gun shooting, and paid their contributions. Around 400 students enjoyed the joy of giving. During her address Hr. Amirtham, YACT explained that giving

need not be always monetary; people can donate their time and energy also. She proposed students' participation with her trust in extension activity by teaching languages and subjects to the underprivileged village school children. Students took selfie with placards reading "I WANT TO BE HEALTHY", "I WANT HEALTHY MOTHER", "I WANT HEALTHY FATHER", "I WANT HEALTHY BROTHER", "I WANT HEALTHY SISTER" and "I WANT HEALTHY LIFE PARTNER". This happened to be the main attraction and students enjoyed very much. There was a display of flex boards giving tips on six tastes and their relevance for human health. This was really educative.

While Dr. Sheela P. Karthick, Co-ordinator, Women's Cell welcomed the gathering Dr. M. Prema Rani, Co-ordinator, Women's Cell proposed vote of thanks. NSS Programme Officers of the all the units, Dr. Malarvizhi, Dr. Meenakshi and Dr. Selvakumar helped in the smooth conduct of the programme by mobilizing the students.
