A workshop in Arts and Crafts was conducted in our college by Women's cell in collaboration with Fevicryl during 19th and 20th September 2018 in the Seminar Hall. Dr.Sheela P. Karthick, Dr.M.Prema Rani co-ordinators of Women's Cell and Dr.Gnana Saraswathy member, women's Cell, organized the programme.

Mrs. Thulasi Kannan from FEVICRYL- PIDILITE taught the students to make various hand work items. Students made idol of Lord Vinayaka, keychains, ear rings, pendant etc., from clay. They also made pen stands from paper and jute. Students learned to paint in churidhar and T- shirts. Paintings on cotton hand bags were very attractive.

The programme extended for four hours each day and the lecture combined with demonstration was very useful. Students were very enthusiastic and made more innovative contributions. Two staff members and about fifty students participated and were benefitted. Principal Dr.J.Suresh, Vice Principal Dr.Muthuvel appreciated the hand work of the students. Certificates were distributed to all the participants.
