## The institution provides multiple opportunities to learn and grow.

Give three observation / suggestions to improve the overall teaching - learning experience in your institution.

- To give more assignment and extra seminars
- Nothing ,everything is ok and satisfied
- Overall it was good
- To learning through video lectures, podcasts, and slide presentations would innovate and enhance students learning experience.
- Teaching is good & more than points student expectations
- 1. Job Guaidence is very less.
- The education system is good but the extracurricular activities is lower than education
