About the College

The Madura College, one of Madurai's oldest educational institutions, dates back to the mid-19th century and has been a major force in regional higher education. Established in 1889 and affiliated with Madurai Kamaraj University, it became one of the first four colleges in India to receive autonomous status from the UGC in 1978. Re-accredited by NAAC with an "A" grade in its 4th cycle, the college has served the community for over 140 years, providing quality higher education to students from all backgrounds.

Post Graduate Department of Statistics

The Department of Statistics, founded in 2019, has quickly become a modern, industry-aligned program built for the Data Revolution. Its curriculum emphasizes R, Python, and applied certifications, producing job-ready graduates. Despite being new, it has strong placements in IT, healthcare research, and government roles. The department also builds well-rounded statisticians through internships, seminars, and community-focused project.
