

THE MADURA COLLEGE (Autonomous)

(Re-Accredited with "A" Grade by NAAC)

Madurai - 625 011.

DEPARTMENT OF BOTANY

SWOC ANALYSIS BASED ON STUDENTS FEED-BACK

UG

Strength of the Department

- Syllabus is completed by the teachers for the classes in time.
- Students are satisfied with class preparation of course teachers for all the classes.
- Most of the students are satisfied by teaching approach of all the staff.
- Students are fully satisfied with internal evaluation process by the teachers.
- Teachers are able to identify the slow learners and help them to improve their academic performance.

Weakness of the Department

- Field oriented teaching and practical classes are essential for Botany
- Availability of practical specimens are to be improve.
- Adequate usage of ICT-tools in teaching are expected by the students.

PG

Strenght of the Department

- Students are fully satisfied with completion of syllabus by the teachers.
- Students are well satisfied with preparation of course teachers for all the classes.
- Most of the students are satisfied with teaching approach of all the staff.
- Students are satisfied by the effective communication of all the teachers.
- Students are satisfied with internal evaluation process by the teachers.

Weakness of the Department

- Identification of course subject-wise weak students and the remedial measures are more essential.
- To improve the procurement of practical specimens for the classes.
- To establish adequate ICT-enable smart class room for students.

Opportunities

- Encourage to use ICT-enable teaching.
- Students are informed to access the e-books through internet.
- Students are encouraged to register the online courses in MOOCS, SWYAM, etc.
- Students are encouraged to avail the library in leisure time.

Challenges of the Department

- Teaching through ICT tools would be more effective with smart class rooms.
- Most of the students from remote village background with Tamil medium in school education, hence effective English teaching is more difficult.
- Student participation project can be asked for their opinion and suggestions.

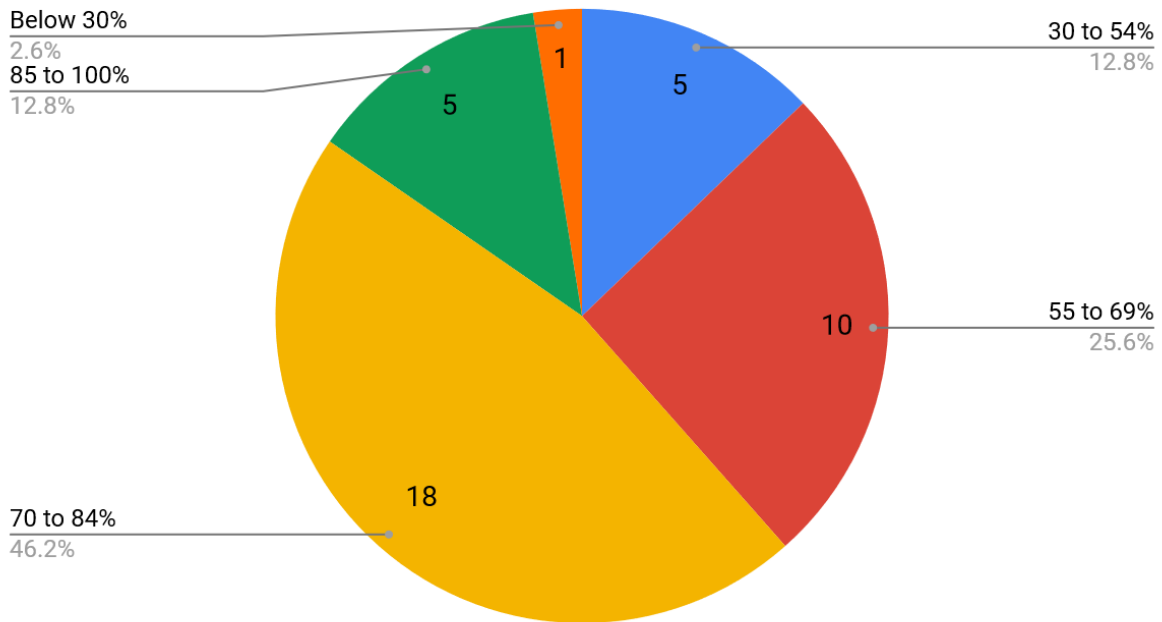

Action plan to be executed:

- To implement innovative and transformational approach to make the system more relevant and competitive.
- Need to improve quality and reputation.
- To promote field oriented practical classes.
- To develop good infrastructure through various funding from national and international.
- To promote collaboration between reputed national and international institutions for both teaching and research.
- To focus on the graduate students by providing job-oriented relevant courses to make them excellence, deeper knowledge in the subject and compete all the competitive examinations.

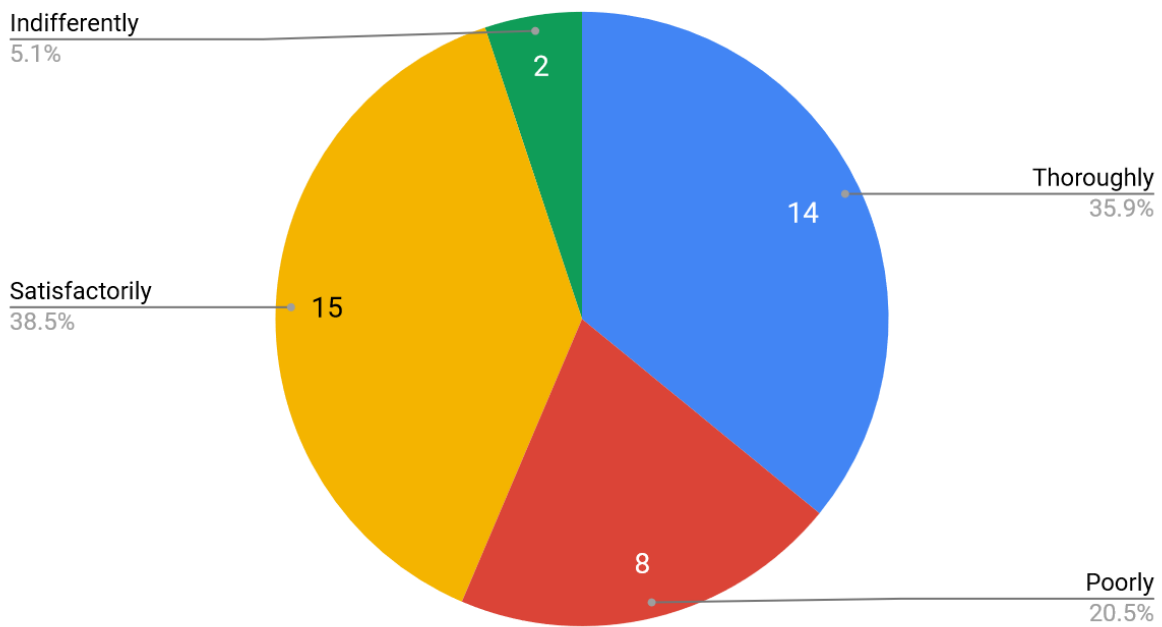

B.Sc., Botany

No of respondents': 39

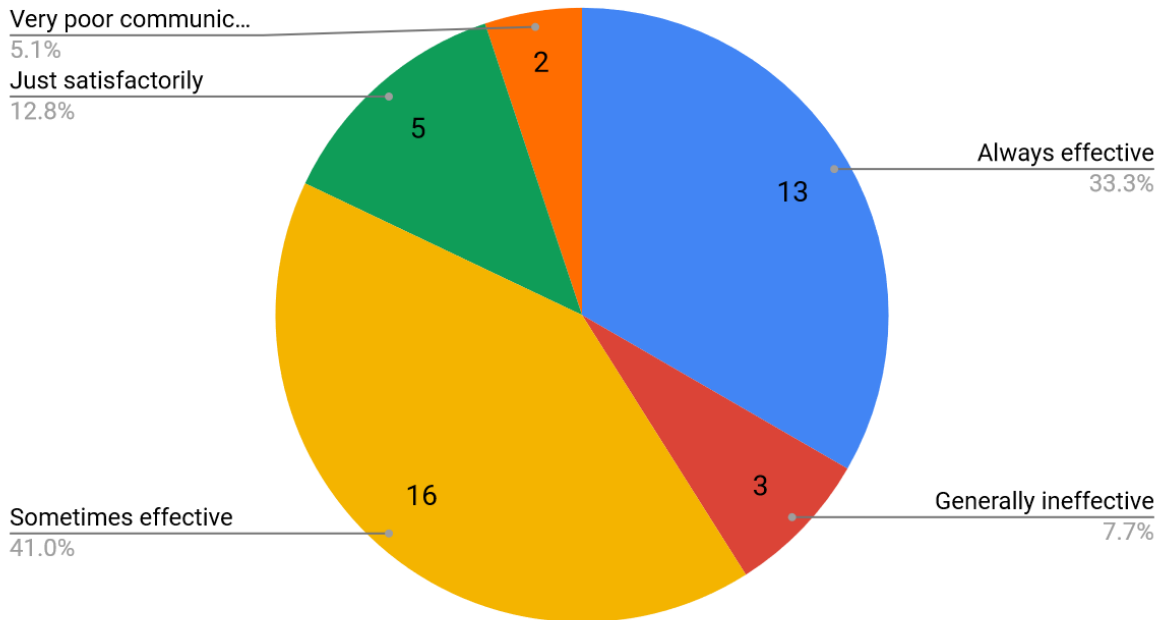

How much of the syllabus was covered in the class?

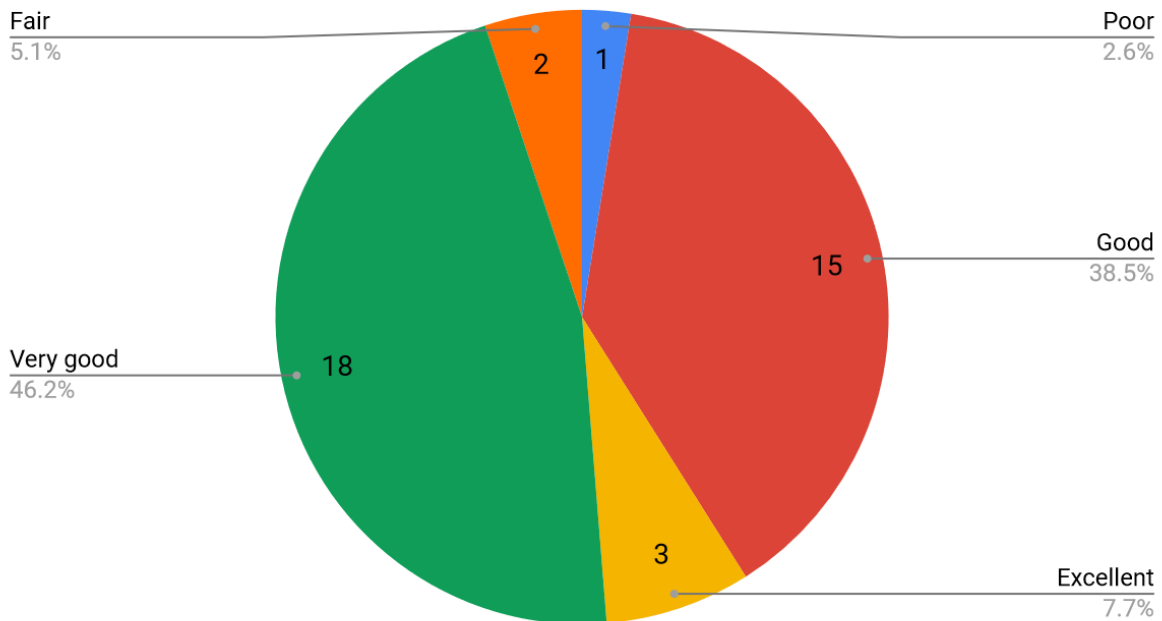

How well did the teachers prepare for the classes
