FEEDBACK ANALYSIS REPORT

Degree: B.Sc. (Comp .Science)

On the basis of the feedback chart prepared from the data collected from our students I would like to represent the following inferences, strength, weakness and action plan to be executed in our dept.

DEPARTMENT STRENGTH:

- ❖ Students are satisfied with the sincerity and commitment of the teacher.
- ❖ Students are well accepted the teaching methods with the utilization of teaching aids.
- ❖ Always the faculty members are prepared & express the programming logics and designing of programs with real-time applications and case studies.
- ❖ Almost 90% of the students are satisfied with the teaching approach of all staff members in the department.
- ❖ Availability of computer systems with high-end configurations may give full exposure to the students about the systems environment used in the IT industries.

WEAKNESS :

- ❖ Not establishing tie-up's with IT companies.
- ❖ Adequate usage of ICT tools in teaching is expected by all the students.

- ❖ No need based certificate courses conducted by the department.

Opportunities:

- ❖ Curriculum was designed with an industrial perspectiveness , so that students can get more exposure on computer technology and ready to fit the requirement of IT industries.
- ❖ Availability of computer systems with high-end configuration and capable to run all latest application programs.

Challenges:

- ❖ Finding difficult in teaching with effective English, since more students are from rural area of our city and have learned through tamil medium in their schooling level.
- ❖ We are not able to educate fully the concept of latest computer technology ,sine very fast development and changes are there in this field day by day.
- ❖ Unable to establishing tie-up's with IT companies due to the non-availability of more in our city and the terms suggested by them are not adorable.

ACTION PLAN TO BE EXECUTED:

- ❖ Planned to initiate certificate courses to provide ~~employability.~~ *employment opportunities.*
- ❖ Decided to establish tie-up's with software development companies near to the college.
