Strength of the department:

- **Syllabus is completed** for all the classes in time.
- Students are well satisfied by the **preparation of the course teachers** for all the classes.
- Most of the students are satisfied by the **teaching approach** of all the staff in the department.
- Students are satisfied with the **internal evaluation process** by the teachers.
- Students are satisfied by the teaching of **illustrations of concepts through examples** and applications.
- Students are satisfied by the encouragement of teachers to participate in **extracurricular activity**.
- Teachers are able to identify the weaknesses of students and help the students to overcome them.

Weakness of the department:

- ❖ Discussion of the performance in assignments with students is essential.
- ❖ Mentoring process does not facilitate cognitive, social growth satisfactorily.
- ❖ Adequate usage of ICT tools in teaching is expected by the students.

- Students are well satisfied by the **preparation of the course teachers** for all the classes.
- Most of the students are satisfied by the **teaching approach** of all the staff in the department.
- Students are satisfied by the **effective communication** of teachers.
- Students are satisfied with the **internal evaluation process** by the teachers.
- Students are informed about their expected competencies and course outcomes.
- Students are satisfied by the teaching of **illustrations of concepts through examples** and applications.

Weakness of the department:

- ❖ Identification of weaknesses of the students and the remedial measures is not carried out.
- ❖ Mentoring process does not facilitate cognitive, social growth satisfactorily.

Opportunities in the department:

- ICT enable tools could be used for teaching.
- Journals and e-books can be used by the access of INFLIBNET , eN-LIST by PG students.
- Access of library by UG and PG students could be encouraged.

Challenges in the department:

- Teaching through ICT tools would be more effective with Smart class-rooms.
- Most of the students are from rural area, with school education in Tamil medium, hence effective teaching in English is difficult.

Action Plan to be executed:

- Assignment performance of every student will be discussed in classes.
 - Mentoring the students would be done once in every month to facilitate cognitive, social growth.
 - To provide opportunity to the student to learn and grow, a self study unit will be included in all the papers. The self study unit will be subjected to only internal evaluation.
 - An event committee will be formed in the department with two staff and five student representatives to encourage the students to participate in various inter and intra collegiate competitions.
-
